Sites with Videos Produced by Larry Edelman (6/8/18)

**Infant/Toddler Themes**

**Video Illustrations of Family Guided Routines Based Intervention in Iowa’s Early ACCESS System:**
http://dmm.cci.fsu.edu/IADMM/examples.html
The videos on this page were produced in collaboration with Juliann Woods and the Iowa Department of education to illustrate a particular model of early intervention practice, Family Guided Routines Based Intervention.

**Use of Technology with Evidence Based Early Intervention:**
http://ddc.ohio.gov/video-ei-series
This series of eight videos were produced in partnership with the Ohio Association of County Boards of Developmental Disabilities, a grantee of the Ohio Developmental Disabilities Council, the Bridging the Gaps in Ohio Part C Service Delivery Project, the BHN Alliance (Belmont, Harrison, and Noble County Boards of Developmental Disabilities. The series illustrates how video, video conferencing, and related technologies can improve access to, and the quality of, supports for families as well as better enable teams to practice evidence-based early intervention services.

**ENRICH Early Intervention Reunion Videos:**
http://www.ucdenver.edu/academics/colleges/medicalschool/programs/JFKPartners/products/Pages/ENRICH-Reunion-Videos.aspx
The “Reunion Videos” project re-connects with families who received early intervention services as long as 20 years ago. In these videos the families reflect on what early intervention services meant to them, which aspects of the services were most useful, and what has happened since. Produced in collaboration with JFK Partners, University of Colorado School of Medicine.

**FIT FOCUS Video Library:**
http://www.cdd.unm.edu/ecln/FIT/fit-focus-video-library.html
The goal of these videos is to provide illustrations of evidence-based and recommended early intervention practices in New Mexico. The videos were produced in collaboration with New Mexico’s Family Infant Toddler (FIT) Program and the Early Childhood Learning Network of the University of New Mexico’s Center for Development and Disability.

**Preschool Themes**

**LEAP Preschool Model:**
https://vimeo.com/user66967421
There are currently two videos available: Jackson’s Goes to Preschool and The Leap Preschool Model: What Makes It Work.

**NM PreK Video Library:**
https://www.newmexicoprek.org/video-library/
This video library shares the work of the NM PreK Video-Based Consultation Project, including illustrations of ways that video can be used as a foundation for reflective practice, coaching, consultation, and supervision to enhance early care and education practices. A project of the NM PreK Video-Based Consultation Project with the collaboration of local programs and funded by the New Mexico Children, Youth & Families Department.
Both Infant/Toddler and Preschool Themes

The Pyramid Model Consortium:
http://www.pyramidmodel.org/resources/trainers-coaches/media/
Two videos highlighting evidence-based teaching practices in a toddler and preschool classroom as demonstrated by a high fidelity Pyramid Model implementation site.

Desired Results Access Project Video Library:
http://www.draccess.org/videolibrary/
There are more than 40 videos on this site, produced for the California Department of Education’s Desired Results Access Project. In the General Interest section, check out Getty’s Door to Inclusion, Team Lydia Rose, and Harper Hope or check out the Practice Clips section.

Results Matter Video Library:
http://www.cde.state.co.us/resultsmatter/rmvideoseries
There are more than 170 videos on this site, produced for the Colorado Department of Education’s Results Matter initiative. Click on the specific Video Category to see the titles and descriptions on that topic: check out the Practices Here and There or the Clips for Practicing Observation, Documentation and Assessment Skills sections.

DEC Recommended Practices

DEC:
http://www.dec-sped.org/videos
These four videos describe the DEC Recommended Practices.

Child and family Outcomes

Child Outcomes Step-by-Step:
http://ectacenter.org/eco/pages/videos.asp

Supporting Children by Improving Family Outcomes:

ASD Themes

Voices of ASD Video Library
http://www.ucdenver.edu/academics/colleges/medicalschool/programs/JFKPartners/products/Pages/Voices-of-ASD.aspx
A collection of videos that explore the lives of individuals with ASD, with a focus on first person accounts and an exploration of what it means to live with ASD. The goal is to deepen understanding among individuals with ASD, their families, and communities through the sharing of personal stories. The video library is a project of the Autism and Developmental Disabilities Clinic of JFK Partners, a University Center for Excellence in Developmental Disabilities.

NICU Related

Developmental TIPS:
http://www.developmentaltips.com/
The four videos on this site illustrate Nebraska’s NICU follow up program.
