APPENDIX A. Original Tool: Student Evaluation of Online Teaching Effectiveness (SEOTE)\textsuperscript{1}

Student Faculty Contact
1. My questions about course assignments were responded to promptly.
2. The amount of contact with the instructor was satisfactory.
3. The instructor was accessible to me outside of this online course.
4. I was provided with supportive feedback related to course assignments.
5. The instructor communicated effectively.
6. The instructor was respectful of students’ ideas and views.
7. I felt comfortable interacting with the instructor and other students.
8. The instructor was enthusiastic about online learning.
9. My questions about Moodle were responded to promptly.
10. This course used examples that clearly communicated expectations for completing course assignments.

Cooperation among Students
1. The course was structured so that I could discuss assignments with other students.
2. The course was used to stimulate thoughtful discussions.
3. This course included activities and assignments that provided students with opportunities to interact with one another.

Active Learning
1. This course included interactive assignments and links to examples from the Web that directly involved me in the learning process.
2. This course used realistic assignments and problem-solving activities that were interesting and motivated me to do my best work.
3. This course used realistic assignment and problem-solving activities related to situations that I am likely to encounter outside of this course or in a future job situation.
4. This course provided good examples and links to other examples published on the Web that helped to explain concepts and skills.

Time on Task
1. The course was structured to be user friendly.
2. The course was designed to provide an efficient learning environment.
3. The course allowed me to complete assignments across a variety of learning environments.
4. The course was designed so that technology would minimally interfere with learning.
5. This course allowed me to take responsibility for my own learning.
6. The assignments for this course were of appropriate difficulty level.

Note. Students are asked to rate each item using the following response scale: Strongly Agree (6), Agree (5), Mildly Agree (4), Mildly Disagree (3), Disagree (2), and Strongly Disagree (1).

Open-ended Item: Please make specific comments that you might have to explain in more detail your perceptions related to the questions above.

APPENDIX B. Adapted Tool: Pilot 2 - Revised 24-item SEOTEQ

**Instructor Specific:** These first 9 items ask you to think about the course instructor. You may add additional comments related to your instructor in the space provided directly below item 9.

1. My questions about course assignments were responded to promptly.
2. The amount of contact with the instructor was satisfactory.
3. The instructor was accessible to local and distant students.
4. I was provided with supportive feedback related to course assignments.
5. The instructor communicated effectively.
6. The instructor was respectful of students’ ideas and views.
7. The instructor encouraged students to interact with each other.
8. The instructor stimulated my interest in the course.
9. The instructor used examples that clearly communicated expectations for completing course assignments.

Please add any further comments that relate to the instructor.

**Interaction:** Items 10-15 ask you about interaction in the course.

10. This course included activities and assignments that provided students with opportunities to interact with one another.
11. I felt comfortable interacting with other students in this course.
12. This course included interactive assignments and links to examples from the Web that directly involved me in the learning process.
13. This course used activities that simulated real world tasks.
14. This course provided good examples and links to other examples published on the Web that helped to explain concepts and skills.
15. This course motivated me to do my best work.

**TA specific:** Items 16 asks you to think about the TA(s) in the course.

16. TA(s) helped my learning in this course.

**Course Specific:** Finally, items 17-24 ask you to think more generally about the course. You may add additional comments about the course in the space provided below item 24.

17. The course website was structured to be user friendly.
18. This course allowed me to complete assignments across a variety of learning environments.
19. This course was designed so that technology would minimally interfere with learning.
20. My questions about Moodle were addressed promptly.
21. This course allowed me to take responsibility for my own learning.
22. The assignments for this course were of appropriate difficulty level.
23. The workload in this course was reasonable and appropriate.
24. I learned a great deal from this course.

Please add any further comments that relate to the course.
