opening for coin wrapper

Supplies needed:
Two construction paper fish bodies, two construction paper fish fins, ½ flat coin wrapper (quarter wrappers work well), glue stick

Wiggle eyes, markers, crayons, foamie stickers for decorating

Directions:
1. Put glue on one side of the coin wrapper and place the wrapper on the back (your choice) of one fish body as indicated on drawing.
2. Rub glue over the entire back of the body including the wrapper and put the other half of the fish body in place. Press down.
