Let’s have a deeper conversation about learning
Moving from a tool to a network
In your comment, please reflect on what you learned about energy, between your wind project and your solar updraft tower project from earlier this year.
Guide students to success

- Standards-based
- Score-based
- Anecdotal
Professional Development

- Online learning network
- Train-the-trainer
- On-site classes
- Video conference training
- Peer-to-peer webinars
Let’s have a deeper conversation about learning.
