The Hidden ASC & the Invisible 10th House

From the Treasure Trove of the LOTS -- Fortune & Spirit

PREFACE

In the Modern Landscape of Astrology
The LOTS have completely disappeared.

Early 20\textsuperscript{th} c. they are already almost gone, especially in natal charts.

\textit{Spirit} did not get attention at all,
and was included in the long list of the other lots.

\textit{Fortune} fairied a little better (...)
survived in Horary astrology (Ivy Goldstein-Jacobson)

\textit{Spirit} occasionally showed up in some old Horary judgements.

So Today – We Bring it all Back
1) *FORTUNE & SPIRIT* belong to the Category Previously Known as the *Parts*, or the *Arabic Parts*.

2) The Lots are Not Arabic in Origin, but Hellenistic.

3) Project Hindsight (1992-6) shows the correct term as *Lots*, (not Parts).

4) A Lot is Not an Astronomical Point, nor a Celestial Body. It is a Calculated Point, derived from the Position of Planets & Cusps (mostly the ASC).

5) *Fortune-⊗* is the most well-known Lot. It survived from antiquity and “found a home” in the practice of Horary Astrology, while completely forgotten and ignored by the moderns.

6) *The Lot of Spirit-ǿ* - its counterpart, was even less lucky, so nowadays, no one has even heard about it.
Most Lots are Differentiated by Day & Night birth.

Fortune is Calculated from the Well-known Formula:

**Fortune \( \bigotimes \) By Day:** \( ASC + ( \bigodot - \bigtriangleup ) \)

The Distance **FROM the SUN to the MOON** (in the Order of the Signs) is projected from (added to) the ASC

**Fortune \( \bigotimes \) By Night:** \( ASC + ( \bigtriangleup - \bigodot ) \)

The Distance **FROM the MOON to the SUN** (in the Order of the Signs) is projected from (added to) the ASC
Fortune & Spirit: By DAY

From the Sun to the Moon
(Moon minus Sun)

ASC + 90
ASC + 60
ASC + 270
Fortune & Spirit: By NIGHT

ASC-DESC Symmetry: 60 on either side

ASC + 240
ASC + 120
ASC + 270
ASC + 90
ASC + 210
ASC + 150
ASC + 120
ASC + 90

ASC-DESC Symmetry
By Day: from the Sun to the Moon 209° (the Moon is 8th house from the Sun…)

By Night: from the Moon to the Sun 149° (the Sun is 6th house from the Moon…)

- Fortune is also called a “Lunar ASC”

It is the Lot of the Moon - in Latin texts: *Pars Fortuna*  *FORTUNA*

FORTUNE is associated with the Moon, it is of the Moon - it is LUNAR

The MOON also signifies Material & Physical Well-Being - or Concerns.

---

**Signification of ☼-Fortune**

1) Material Fortune - It is also one of the Lots of the 2H
   (the Moon also participates in questions on material fortune...)

2) Good Fortune & Luck (relative to one’s life), a Point of Luck

3) A Horoscopic Point – a Reference Point to Count Houses from:
   A “Substitute”, “Alternate” or “Surrogate” ASC, for Bodily, Physical Matters, including Health, Marriage and Rank !!

4) Aphesis / Zodiacal Releasing – Division of Time into Major Periods of Life
   (Vettius Valens, Book IV: Time Lords) (Aphesis: let go, release Gr.)
CALCULATION is the Reverse of Fortune

**Spirit By Day:** \( \text{ASC} + (\odot - \bigodot) \)
- The Distance from the Moon to the Sun – in the Order of the Signs – added to ASC

**Spirit By Night:** \( \text{ASC} + (\bigodot - \odot) \)
- The Distance from the Sun to the Moon – in the Order of the Signs – added to ASC

**SPIRIT** is SOLAR – it is of the SUN

- It is the Lot of the Sun – *Pars Solis* ... *it is of the Sun*
- It is the Lot of the 9H ... *the Joy of the Sun is in 9H*
- The Lot of Things to Come – *Pars Futurorum* ... *of the Future (the 9H indicates Prophecy)*
- The Lot of Hidden Things ... *hidden from sight, not visible... ...the Future is not visible yet...*

SIGNIFICATIONS OF **Spirit-Φ**

- The Soul, Spirit (which is signified by the Sun, vs. the Moon = Body)
- Pertaining to the Mind (the Nous, the conscious part of the mind. Mental)
- Intentions that lead to Action (plans). Hence: future occupation, career. Motivation.
- Hidden Things. Everything Which is Absent (in Horary)
- Future Things. Hence: Prophecy - (the 9H indicates Prophecy, Astrology)

*Original Greek Name: Daemon, Daimon*  
Fortune = Tyche - a ‘secondary’ Deities in Hellenistic Alexandria
1) House Placement

2) Aspects from Planets: Benefic / Malefic

Evaluation By House

One of the Most Important Things to Observe is the House that ☿/♀ fall in.

Angular House Placement provides Strength of Manifestation:

Strength, Noticeable Impact: In Angular Houses: 10H, 1H, 7H, 4H

Food for Thought:

- **1H** placement - Sun -conj- Moon
- **7H** placement - Sun -opp- Moon
- **10H, 4H** placements - Sun -sq- Moon
- **11H & 3H** placement - Sun -sx- Moon
1) Fortune is Used to Investigate **Material Fortune** --

Therefore - also observe the 2H & 11H from \( \Phi \)

The 11H is also called ‘Acquisition’ in the Base Chart. It is one of the ‘Prospering Places’.

2) Observe **10H from Fortune** – for **Rank & Career matters**

Also observe 10H from \( \Phi \)

The 10H (10th Place) is a Place of Manifestation for Any **Horoskopos**.

3) Observe **6H from Fortune** – for **Health and Illness Matters**

4) Observe **7H from Fortune** – for **Marriage Questions**
\( \text{From the Visible To the Invisible} \) (from Sun to Moon)

The House Placement of \( \text{From the Visible To the Invisible} \) indicates --

- The Source of Luck in Terms of Physical Material Fortune.
- Evident Early On - It’s What we Start Out With in Life.

\( \text{From the Invisible To the Visible} \) (from Moon to Sun)

The House Placement of \( \text{From the Invisible To the Visible} \) indicates --

- The Mental Influences & Resources we Start Out With.
- The source of Motivation – the Mental Forces that Guides us
- The Evolution of the Mind - Still Invisible in early life ...
- “\textit{Pars Futurorum}” - the Future Promise
This is Considered in Two Situations:

1) When the Moon is under the Earth in a Nocturnal chart (..out of Sect..)

2) When One of them is weakened ("fallen astray"), and cannot perform properly

**Serapion of Alexandria** (3rd c.)

"if both the luminaries happen to be in the hemisphere under the earth and for the rest are not in a state of familiarity, the fortune is taken from the superior (that is, from the leading) luminary to the following one."

ALSO: in James Holden translation (Porphyry & Serapio, pp 64-65):

"...from the prevailing, that is the leading light to the following one."

**Vettius Valens** (Book IV, 4.5-7) (2nd c.)

"In fact many times, when the Lot of Fortune or its lord have fallen astray, the Lot of Daemon apportions things to do with both body and actions; and likewise also Fortune will apportion both, when the Lot of Daemon or its lord have fallen astray, ..."

Whenever Daemon and Fortune should be found in one zodiac sign, we will take things concerning the body from that same zodiac sign, but things concerning actions from the one post-ascending.” (!!!)

In other words: Fortune May Take Over from Spirit, and vice versa...
\(\blacklozenge\)-Fortune and \(\Phi\)-Spirit

Judy Garland – the Secret of Success

Jupiter, N.Node, Saturn in 10th Place from ☉ & Φ

NOTES:
- Saturn is Exalted. Saturn & Mercury = World Axis.
- Fortune & Spirit together, in the same sign – indication of unity of the physical and the spirit – singularity of purpose.
- Fortune & Spirit together, in the same sign – indication of unity of the physical and the mind – singularity of purpose.
- Interesting: Her Planetary Hour Rulers are also Jupiter & Saturn
- Venus is 7th from Fortune & Spirit – she was married 3 times, and loved by everyone.

- Her base MC/10th house does not show what you might expect for success
- Uranus=MC is NOT a typical indicator for a successful musical career
- However: Jupiter R.MC -sx- Moon R.Asc can be taken as good connection between person and achievement.
Whitney Houston – the Secret of Success

Jupiter, Moon in 10th Place from Fortune
- Sun, Venus 10th Place from Spirit.
- Fortune is 5H of entertainment: talent shows early on.
- Spirit in 9H, with Mars ruler in Detriment -opp- Moon points to mental trouble that show up later in life.
- Events related to her daughter (coma, etc) can be see from Mars-detriment R.Sc 5th Place from Fortune.

- Obviously, the Fire G-trine with the MC also tells the story, but the 10th itself is not populated.
- A good indication that assures success is also the fact that Jupiter rules both ASC & MC.

In spring of 1908, Coco Chanel met with a friend of Balsan Captain Arthur Edward “Boy” Capel CBE an English polo player Arthur Capel advised Coco to open a vending hat shop and promised her a financial support. Later on, he will become her partner in business and personal life.

At the end of 1910, Coco Chanel finally broke up with Étienne Balsan and began to live with Captain “Boy” Capel. In 1919, when her beloved Arthur “Boy” Capel died in a car accident, Coco Chanel said: “Either I die as well. Or I finish what we started together.”

If there had not been this tragedy in the life of Chanel, she would have never started experimenting with black cloth. Wise guys state that she brought into vogue black color cloths to make all women in France mourning for her beloved. Coco was not allowed to officially mourn, as she was not married to Arthur Capel.

Ronda Rousey – Martial arts champion, and actress. In May 2015, two magazines ranked Rousey as the most dominant active athlete. **Highest paid.** Her mother had a decorated Judo career and was the first U.S. citizen to win a World Judo Championship (in 1984). Her biological father, having broken his back sledding with his daughters and having learned that he would be a paraplegic, committed suicide in 1995, when Rousey was eight years old. AnnMaria pursued her Ph.D. in educational psychology as her daughters grew up.

For the first six years of her life, Rousey struggled with speech and could not form an intelligible sentence due to apraxia, a neurological childhood speech sound disorder. This speech disorder was attributed to being born with her umbilical cord wrapped around her neck at birth. When Rousey was three years old, her mother and father moved from Riverside, California, to Jamestown, North Dakota, to obtain intensive speech therapy with specialists at Minot State University. **Nov. 15, 2015 (age 28): First-time Defeat by Holly Holm.**

WW2: Prime Minister of the United Kingdom from 1940-1945 and again from 1951-1955. As Prime Minister, Churchill led Britain to victory in the Second World War. Ideologically an economic liberal and British imperialist, he was a member of the Liberal Party from 1904 to 1924 before joining the Conservative Party, which he led from 1940 to 1955.
