Ambivalent Venus Aspects

Venus-Uranus conjunction:

• Love:
  – Super exciting but with the risk of expiring fast. Flash in the pan.

• Money:
  – Sudden gains or losses. Don’t make spontaneous decisions with long-lasting consequences. Don’t take on debt on a hard aspect with Uranus.
Ambivalent Venus Aspects

Venus-Jupiter (hard aspects):

• **Love:**
  – High expectations,
  – Indulgence,
  – Becoming lazy and complacent.

• **Money:**
  – Overspending on pleasure and vanity products.
Challenging Venus Aspects

Venus in hard aspects to Lilith, Saturn, Chiron, Uranus, Neptune and Pluto

• Love:
Be careful! It may feel fascinating at first. But trust your senses and your intuitions, they will tell you if something's not right. Be honest with yourself, you may not want to see the obvious. Ask good friends. Always apply the "90-Days-Rule"!

• Money:
Don’t take on debt, be careful with decisions with long lasting consequences. Be ready to use your savings – make sure there are some!
Challenging Venus Aspects

Venus-Lilith

• **Love:**
  – You rank your personal freedom higher than inevitable compromises for the relationship.
  – Giving your partner a hard time.
  – Being unpredictable and unreliable.
  – A female competitor is testing your relationship.

• **Money:**
  – You think money is not important.
  – You don’t want to sell your soul and your principles for money.
  – You invest your money in odd friends and creative projects and don’t care, if it pays off.
Challenging Venus Aspects

Venus-Saturn

• Love:
  – Feeling of loss or lack of love,
  – Absence of the partner,
  – Being critical of the partner or being criticized by the partner

• Money:
  – Deficits, loss or absence of money.
  – If you asked for credit, you won’t get it.
  – Not being paid.
  – Not getting what you deserve.
Challenging Venus Aspects

Venus-Chiron:

• Love:
  – Painful love experiences, either caused by a partner going through pain or the experience itself causes pain.
  – Leads to a fuller understanding and healing of relationship patterns.

• Money:
  – Painful and humiliating experiences with payments.
  – Losing money through high health spendings
Challenging Venus Aspects

Venus-Uranus

• Love:
  – Falling in love with odd people. Different social backgrounds or a steep age difference is attractive at first, but you can't work it out.
  – Love at first sight, but before three months are over, it fizzles out.

• Money:
  – Sudden gains followed by sudden losses. Not being able to hold on to a steady account.
  – Unexpected expenses.
  – Risky decisions with poor outcome.
Challenging Venus Aspects

Venus–Neptune

• **Love**: Secret love affairs, deception or being cheated by the partner
  – Illusions about love and partnership
  – Falling in love with people that wrap you in great words and fantasies, yet have no material means or grip on reality.
  – They may be helpless, broke, or addicted and try to attract your compassion.

• **Money**: Deception in deals, by business partners, secret money affairs.
  – Having illusions and unclarity about money issues.
  – Slow, hidden losses that you don’t detect at first.
  – Lending money to somebody out of love or compassion and never getting it back.
  – Investing in arts with uncertain outcome.
Challenging Venus Aspects

Venus-Pluto

• Love:
  – Be careful not to be manipulated.
  – If somebody puts a lot of pressure on you and tries to transform you into somebody you don’t want to be, stay away from it.

• Money:
  – Caution: debt ahead!
  – Financial decisions that you take under these aspects may cause long-term pressures and even anxieties.
  – You also may be manipulated to invest in things you don’t want to.
Venus Retrograde – the Magic Pentagram

Next retrograde Period:
- Oct. 5th to Nov. 16th
- In Scorpio and Libra
Venus Retrograde – the Magic Pentagram

Love:
• Relationships that start under this aspect, are likely to make a turn
• One person is pulling back and changing his or her mind, due to different values or indecisiveness.
• Tip: wait until Venus turns direct and hits the point of the meeting chart again: possible that the relationship gets a second chance.
• May also bring back old lovers from the past.
• Sometimes you start all over again.
• You will be confronted with the things, that didn’t work out in the past and why you and this person fell apart in the first place.
Love

Purpose:

• Learn about your relationship patterns of the past.
• Overcome those patterns that didn’t serve you well in your past.
• Venus retrograde is a time, where you should be very aware of everything that goes on in your relationship life and learn from it.
Venus Retrograde – The Magic Pentagram

Money:
• Don’t make financial decisions or close important financial deals under Venus retrograde,
• The involved parties may change their mind.
• Similar to Mercury retrograde.
• The difference: with Venus retrograde, the uncertainty is about the values and expectations of the people concerned. They have difficulties to decide.
• With Mercury, the uncertainty is caused by a lack of information.
