What is ILEAD?

- Innovative Librarians Explore, Apply and Discover
Tell Me More

- Identify a need in a community
- Team of 3-5 librarians (public, academic, special) address that need with a technology based project
- Each team has a mentor
- 9 month program meeting in March, June, Oct from Mon. – Thurs
- Applicable training sessions: leadership, technology, collaboration
History

- Originated from an IMLS 21st Century Laura Bush grant awarded to Illinois State Library in 2010
- 2013 partner states: Utah, Ohio, Colorado, Iowa
- 2015 partner states: Utah, Ohio, S. Carolina, N. Dakota, New York, Wisconsin, Delaware, Maine, Pennsylvania
Project Examples

- Digital repositories – SLC obituary project
- Maker space kits
- Repository for academic theses and published articles
- Circulating iPads – MS Buddy Project
- OER
- E.L.F
