2018 USG Teaching & Learning Conference
Raising Intersectionality Awareness to Foster a More Inclusive Learning Environment

Activity - Gender Normativity: From micro to macro
Discuss with your neighbor on the questions from the slide
• What is your gender? How do you know?

• How did you learn that you are the gender you claim?

• Were you challenged on the gender that you claim? If your gender was on trial, how would you prove your gender is what you say it is?

• What kind of evidence can you offer?
