Importance of aligning the pedagogy of the VLE with the teaching pedagogy of the course...

1. List 3 - 5 learning outcomes for the course.

2. What is your current teaching pedagogy/style for the course i.e. traditional (lectures), flipped, blended?

3. What are some learning styles that students in this course favor?

4. What are some potential challenges that you see with
   a) Creating a VLE?
   b) Implementing the VLE? Using it in the classroom?
   c) Aligning the VLE with the teaching pedagogy?
