If possible, please take the following steps before the Writing & Storytelling with Play Lab, please bring a device with you to the session!

1. Go to http://studio.code.org and create a teacher account if you do not already have one (click on CREATE AN ACCOUNT, select account type of TEACHER.

2. Once you are logged into your account (be sure to go to your email and verify your account), then go to this link: http://code.org/join and enter our section code: TLTFPD

3. If you have any extra time before the Wednesday session, do the Hour of Code Tutorial for Play Lab: https://code.org/playlab Select any of the three tutorials and work through as much as possible!
